

RED TAIL RANCH
Bed & Breakfast

COVID-19 Prevention Plan - Updated 6/19/21

Red Tail Ranch is a four room Bed & Breakfast located in Groveland, CA. Two rooms are located in the main house (separate entrances), and two rooms are detached. The owners are on site, in a separate building.

Ownership and Staff have read the ***Industry Guidance for Hotels, Lodging & Short Term Rentals***, and have taken all the necessary precautions set forth in this document. In addition, any additional orders from the Tuolumne County Health Officer will be followed.

Staff: There are two staff members at Red Tail Ranch – One housekeeper, and the Owner-Operator. Staff members have been trained in all aspects of COVID-19 prevention, per CDC guidelines. All on-site personnel have been vaccinated.

Property and Guest Interaction: Guests are allowed to use the common area of the main house, but please wear a mask if you will be within 6 feet of another guest, unless both parties agree to not wear a mask. The outdoor kitchen and shared hot tub are open. Please maintain 6 ft distance while using the outdoor kitchen.

Check in: Guests will be personally greeted by the owner, given details on COVID procedures for the property, and then given a tour of the grounds and shown to their room.

Breakfast: The owner-operator will be preparing and serving breakfast to guests, following guidelines set by the State of California under the ***COVID-19 Industry Guidance: Dine-in Restaurants***. Four separate tables are available for dining - Two in the dining room, one in the living room, and one in the kitchen. Please make every effort to distance yourselves at the self-serve coffee bar.

Check out: Guests will be checked out via an automated system.

Housekeeping: All rooms are “aired out” for 3 hours prior to the arrival of the next guests. Stay over service is available upon request. ***All Cleaning and Disinfecting Protocols*** set forth in the Industry Guidance will be followed.
